* Vehicles in this make/series are newly introduced or have been significantly redesigned from the previous year.

STD = Standard equipment on all vehicles of this make/series.
OPT = Either optional equipment on all vehicles of this make/series or standard equipment only on selected models.
N/A = Not available for this make/series. (Information may not be available for some very low production volume makes.)

Body Style Abbreviations: 2 DR - regular two-door models; 4 DR - regular four-door models; SW - Station wagons; PV - passenger vans; SP - sports models; LX - luxury models.

Size class groupings: Small - wheelbase $\leq$ 99 inches; Midsize - wheelbase > 99 inches and $\leq$ 109 inches; Large - wheelbase > 109 inches.

See Methods section of the *Technical Appendix* for a discussion of the body style and size class groupings for passenger cars.

* Vehicles in this make/series are newly introduced or have been significantly redesigned from the previous year.

STD = Standard equipment on all vehicles of this make/series.
OPT = Either optional equipment on all vehicles of this make/series or standard equipment only on selected models.
N/A = Not available for this make/series. (Information may not be available for some very low production volume makes.)

Body Style Abbreviations: 2 DR - regular two-door models; 4 DR - regular four-door models; SW - Station wagons; PV - passenger vans; SP - sports models; LX - luxury models.

Size class groupings: Small - wheelbase $\leq$ 99 inches; Midsize - wheelbase > 99 inches and $\leq$ 109 inches; Large - wheelbase > 109 inches.

See Methods section of the *Technical Appendix* for a discussion of the body style and size class groupings for passenger cars.

* Vehicles in this make/series are newly introduced or have been significantly redesigned from the previous year.

See Methods Section of the *Technical Appendix* for a description of vehicle types and sizes. There are no size classes for vans. Pickups are sized based on curb weight: small is < 3,500 pounds and standard is ≥ 3,500 pounds. Utility Vehicles are sized by wheelbase: small - wheelbase < 100 inches; intermediate - wheelbase 100-120 inches; and large wheelbase > 120 inches.

* Vehicles in this make/series are newly introduced or have been significantly redesigned from the previous year.

STD = Standard equipment on all vehicles of this make/series.
OPT = Either optional equipment on all vehicles of this make/series or standard equipment only on selected models.
N/A = Not available for this make/series. (Information may not be available for some very low production volume makes.)

Body Style Abbreviations: 2 DR - regular two-door models; 4 DR - regular four-door models; SW - Station wagons; PV - passenger vans; SP - sports models; LX - luxury models.

Size class groupings: Small - wheelbase $\leq$ 99 inches; Midsize - wheelbase > 99 inches and $\leq$ 109 inches; Large - wheelbase > 109 inches.

See Methods section of the *Technical Appendix* for a discussion of the body style and size class groupings for passenger cars.

* Vehicles in this make/series are newly introduced or have been significantly redesigned from the previous year.

STD = Standard equipment on all vehicles of this make/series.
OPT = Either optional equipment on all vehicles of this make/series or standard equipment only on selected models.
N/A = Not available for this make/series. (Information may not be available for some very low production volume makes.)

Body Style Abbreviations: 2DR - regular two-door models; 4DR - regular four-door models; SW - Station wagons; PV - passenger vans; SP - sports models; LX - Luxury models.

Size class grouping: Small - wheelbase $\leq$ 99.4 inches; Midsize - wheelbase > 99.4 inches and $\leq$ 109.4 inches; Large - wheelbase > 109.4 inches.

See Methods section of the *Technical Appendix* for a discussion of the body style and size class groupings for passenger cars.

* Vehicles in this make/series are newly introduced or have been significantly redesigned from the previous year.

See Methods Section of the Technical Appendix for a description of vehicle types and sizes. There are no size classes for vans. Pickups are sized based on curb weight: small is < 3,500 pounds and standard is ≥ 3,500 pounds. Utility Vehicles are sized by wheelbase: small - wheelbase < 100 inches; intermediate - wheelbase is 100-120 inches; and large - wheelbase > 120 inches.
